

Goose Spit Park

Location: Lazo North (Area 'B')
- Hawkins Road, Comox, 15 acres

Category: Coastal Recreation

Amenities: Waterfront, picnic tables, scenic views, rare plants & wildlife, swimming, road access with parking, toilets, pet leashing required.

History: The park was first leased to the regional district for park purposes in 1971.

The middle section of the spit is leased to H.M.C.S. Quadra and the end of the spit is an Indian Reserve.

Natural Features:

The park is a unique landform, which together with Gartley Point creates the Comox Harbour. It is a flexible sand spit fed by the Willemar Bluffs and is a Class I recreational beach.

On the inside is a sheltered lagoon. There are unique and rare plants and excellent views to the south and east.
